

HUNTER

The City University of New York

All Residence Hall students are required to complete the following online training program **before checking into the Residence Hall**. In compliance with Federal Law (Campus SaVe Act) and State Law (Education Law Sec 129B), Hunter College requires all students to complete the SPARC online training program, which will be housed on your BlackBoard account.

Please be advised that you must complete the full online training **before your Check-In date** to avoid receiving a negative “SOT” service indicator (hold) on your CUNYFirst account. Additionally, this service indicator will prevent you from withdrawing from and/or registering for classes, your current classes may be cancelled, and you will receive a referral to the Dean of Students. Once you complete the training the hold will be released within 24 hours. You will also be able to print or save the certificate of completion for your records.
