Your EHS Associate & Residence Directors are excited to meet you! Here's a little bit about them.

St. George Towers

Robert Haynes, Associate Director of Residence Life / St. George Towers & John Street Residences

Robert makes up one third of the St. George Director team and has been co-running the show since the summer of 2012. Robert spends a lot of time hanging around the halls of EHS making residents happy with his Southern charm. Robert is extremely passionate about the comfort and success of every resident living at the St. George Building. Robert has a not-so-secret obsession with Chili's and enjoys spending part of his free time traveling to New Jersey to get his Chili's fix.

Taylor Rogers, Residence Director - Taylor is one of three Directors at the St. George. Taylor has been with EHS since 2013 when she left her hometown of Youngstown, Ohio. Although she is now far from home, Taylor keeps Cleveland close by avidly rooting for the Browns and Cavaliers. During offseason you can find her watching Curb Your Enthusiasm, trying new foods across the city, or attending a music show. Taylor enjoys chatting with new residents and making them feel at home in this particularly big city. [To Learn More About Taylor, Click Here.](#)

Brendan Mahoney, Residence Director - Before making his way to Brooklyn Heights, he lived it up at Stony Brook University as a member of their Residence Life Team. He can't wait to get to know the residents and help to foster an amazing community throughout the St. George. Originally from D.C. and Virginia, Brendan's friends, family and students have always told him he needs to be in NYC. Finally, he's here! Brendan enjoys feeding his nerdy side with a bit of gaming but may be too distracted with all that the city has to offer. He will also surely miss his motorcycle.

Keri-ann Byers, Associate Director of Residence Life - Keri-ann spends her days monitoring the halls and inspecting the walls of the New Yorker Residence. This hardcore Associate Director works hard at making sure each resident's experience is enjoyable and unforgettable. Keri is called Fuzz because, like Care Bears, she's warm and fuzzy on the inside. Keri loves kids and has plenty of nieces and nephews to train for her spot on the first ever Olympic Synchronized Curling Team. (Hey a girl can dream, can't she?).
